Johnson – over 100 year legacy of superior ceramic engineering, innovation and aesthetic brilliance presents PORSELANO 2016 New Collection.

It's unique, in more ways than you can imagine. In that, it brings you to an almost poetic end in your quest for authenticity and technical superiority for wall and floor coverings. And along with that, it breaks market stereotypes, and sets itself apart from all other players that swim in an ocean of sameness; helping you bridge the gap between what you conceive in your mind and what finally reflects in your interiors.

Coming from Johnson, the Porselano tiles and slabs are created using the finest quality of raw material and ingredients, employing latest technologies and equipment and using our longest R&D experience in the field of ceramic engineering.

Porselano is not just a range of tiles. It's a range of ideas; that which fuels your imagination no matter what kind of interiors you want to create, be it minimalistic, modern or contemporary. So, go ahead, breathe life into your ideas and imagination with Porselano.

MEGA PORCELAIN SLABS

New Category in Large Format – 1200 mm x 800 mm

Best in class in terms of Durability, Functionality and Aesthetics.

Choicest of Marble, Wood and Rustic stone themes.

Introducing a complete new effect – TREACLE finish – a fine crystalline partially reflective surface adding beautiful effect to the high resolution, true to life Stone and also a Cement finish flooring slabs.

Size of 1200 mmx800 mm Slabs also bring the element of nature's coordinated randomness where one Slab is not the exact replica of the other. This variation adds value to the charm and choice.

Size does matter, and so is the proportion of dimensions. Bigger size Slabs reduce the number of joints and creates seamless, monolithic surface.

There are 16 unique and beautiful themes presented in the first edition of MPS.

MPS surfaces are bestowed with Johnson Stain Free property ensuring minimum maintenance and enhanced hygiene.

Size of Slabs : 800mmx1200mm

TOUCHE PESCO

Introducing complete new effect - TREACLE finish - a fine crystalline partially reflective surface adding beautiful effect to high resolution, true to life Stone and also a Cement finish flooring slabs

GERM-FREE PORCELAIN SLABS & SPLITS

GPS was first launched in the year 2015 and became the choice of Architects and home owners both within a short span of time.

While GPS has three preferred themes - 'Exotic Marbles', 'Warmth of Wood' and 'Class of Stones' - it also has some options to make your own signature style for walls and floors – eclectic elements, we have added few more options for you to choose for your next project – house, office, interiors or exteriors!

GPS 2016 introduces 2 new contemporary treatments to the surface. We call these 'DAZZLE' and 'METOLIUM'.

While DAZZLE brings a unique sheen of crystalline treatment, the METOLIUM treatment of the surface produces a Metal sheet effect on your PORCELANO clad surface!

There are 18 Slabs (1200 mm x 600 mm) and 09 SPLITS (1200 mm x 200 mm) in the new addition of GPS – 2016.

GPS stands for 'Minimum Maintenance' and 'Maximum Hygiene'. All GPS options carry JOHNSON'S innovative R&D driven features – 'Stain-Free' and 'Germ-Free'. Apart from mirror polish Marble and soft satin finished wood feel – you get options which withstand much more wear and tear / foot-fall traffic and also provide a high skid-resistance even when your floor is subjected to frequent wetting.

GPS-2016 edition has options to support all popular interior styles – Modern, Minimalistic, Contemporary, Retro, Victorian and Art Deco. Also – it has few elements that support your plan to create a space with your own Eclectic theme! For both – Walls and Floor.

Size of Slabs : 600mmx1200mm
Finish : Uninterrupted Smooth, Glossy, Reflective.
Suitability : Interior Wall and Floor Application.

GVS
800x800 mm

 **JOHNSON**[®]
PORCELANO
BEAUTIFUL IMPRESSIONS.FOREVER.

GVS was first large format (800mmx800mm) Glaze vitrified Tile in India by JOHNSON.

From 2012 till date, frequent additions to this portfolio have made GVS one of the top choice of individual home owners and professionals as well.

Authenticity of Material and aesthetics remains at the core of GVS.

A perfect square, larger than otherwise most common size – 600mmx600mm. The size helps to reduce the number of joints on your floor. The Square shape and the large size of GVS brings a good flow of meticulously selected designs and patterns. GVS also carries JOHNSON's STAIN-FREE feature - maximising the ease of maintenance.

GVS- 2016 edition has 14 new, pleasant and robust tiling themes. It has not only new options in existing themes but also some totally new surface effects like DAZZLE

On demand of our clients with refined choice of stone in non-reflective little coarse effects on floor in square patterns of big tiles – we have introduced High Definition Relief 'HDR' options in the popular GVS collection of Johnson Porcelano.

Size of Slabs : 800mmx800mm
Finish : Uninterrupted Smooth, Glossy, Reflective.
Suitability : Interior Wall and Floor Application.

GVT
600x600 mm

 **JOHNSON**[®]
PORCELANO
BEAUTIFUL IMPRESSIONS.FOREVER.

GVT-2016 Collection

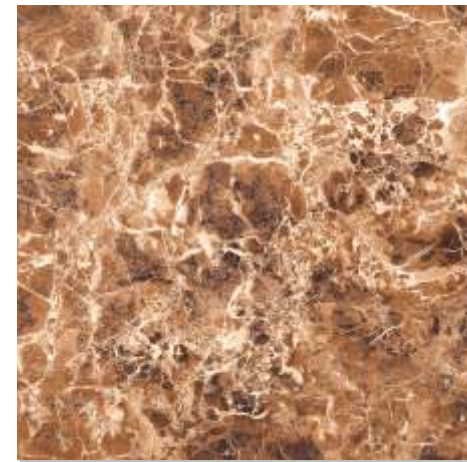

In total there are 14 new themes being introduced in this addition.

Marbles, Woods, and other natural stone themes dominate the portfolio in varied finishes like high reflective index, soft satin, little robust matt and also additional relief on top surface which remains till the life of tile that runs into decades!

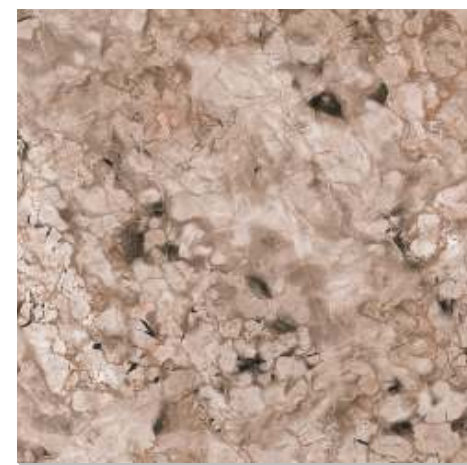

This new Collection of GVT 600mm x 600mm also has some beautiful options in unique and new finish - DAZZLE which is introduced in GPS and GVS, the large format PORCELANO

Another value proposition in terms of aesthetics in GVT is presented by some unique '**COMBI- DECO**' concepts. The ceramic stylists of JOHNSON present some concepts which in combination produce a mesmerizing surface aesthetics to break the monotony. You liked the decorative marble or wood inlay work of past... that remains the inspiration but options are created keeping the modern and contemporary styling and suitability of material for the space. Treat you walls or the floors with these '**COMBI-DECO**' options and see the liveliness of these surfaces - no shouting but big statements!
