There's an ocean of sameness out there. Every place, room-by-room is a copy of a copy. And in a world of such me-too's, comes Porselano. Standing out proudly, as India's only truly premium Glazed Vitrified Tiles. The weight of the word premium can be felt once you touch just one of these tiles. Or you can see it in the most simplest of its designs. The designs of Porselano are based on a simple principle - to take the grandeur of life-spaces to overwhelming levels in the most understated ways. One that doesn't shout for attention. Quite like the kind of success that seems nothing but well-earned.

To satiate the virtue of choice, Porselano offers 4 sizes and 8 distinctive finishes. The range exhibits unlimited design options spread over different themes - marble; stone, wood and more. All of which help you express your discerning taste in as many different ways.

It's luxury like you've never seen before; partly because it's luxury in its truest form.

HYGIENE & CLEANLINESS

Easy to clean and maintain Stain & Scratch resistant options Resistance to household chemicals

STRONG & DURABLE

Resistant to deformation
High breaking strength & MOR
Authentic porcelain, negligible water absorption

AESTHETICS & STYLE

Options to suit all interior styles Carefully chosen shades and themes Multiple surface textures

THEMES

Unique selection of marbles
Warmth of chosen wood compositions
Natural stone and concrete
Metal sheet and decoration

SAFE - SURFACES

Non-toxic Frost & Fire resistant No decolouring

A journey from tiles to lifestyles - measured in square feet

H&R Johnson (India) is a division of Prism Johnson Limited, one of India's foremost Integrated Building Materials conglomerates.

Established in 1958, Johnson is one of the oldest and trusted brands in the country. Built on the strong and unswerving foundations of quality and innovation, this trust has only grown in these decades gone by; and continues to grow. Starting with tiles, the brand soon diversified into offering lifestyle solutions in the realms of Engineered Marble & Quartz and Bath Solutions. Thereby becoming India's most Integrated Lifestyle Solutions brand. Every product that comes bearing the H&R Johnson insignia is a symbol of the same quality and innovation focused on adding value to the lives of our consumers.

Pioneering Innovations, A Way of Life

At H&R Johnson the term innovation is at the heart of everything we do. That's why it is backed by credible research. Every product attempts to fill in a void left by conventional offerings in the category, in an innovative manner. It's this value we place on cutting-edge innovation that makes us strive for more and eventually delivers more. A quality and a way of working that have redefined consumer lifestyles and expectations.

- Anti-skid & Water-repellent Tiles for Bathrooms
- Rectified Wall Tiles
- Johnson Marbonite Vitrified Wall and Floor Tiles
- Joint Free Tiles

- Large Format Slabs
- Digitally Printed Wall & Floor Tiles
- Germ Free Tiles & Sanitaryware
- Exterior & Industrial Flooring Solutions

India's Most Integrated Tile Manufacturing Company

Being India's most trusted tiling brand requires that trust to be maintained in every stage of developing each and every product that bears the name of the brand. That's why at H&R Johnson, our Feldspar Mines are Self-owned, the soluble salts and inks are manufactured in-house, and even the dies and punches are made in-house. All, so that every step in the process comes with the same quality and assurance, that you expect from us.

Manufacturing Excellence

Johnson has the most modern manufacturing units across strategic locations in India. Our manufacturing facilities employ the best technology from world leaders in tile manufacturing equipment. All our plants are ISO compliant with both 9001 and 14001 certifications as well as OH SAS 18001 certification.

JOHNSON FLOOR TILE FIXING INSTRUCTIONS

- 1. Plaster the surface to be tiled with a good finish and complete the rendering and curing at least two weeks prior to tiling. DO NOT FIX TILES ON FRESH SURFACE.
- 2. Before fixing the tiles, lay them out in the desired pattern and make sure that they give an acceptable blend of shade, colour and design. Also make sure that the tiles are acceptable to your satisfaction. Please note that certain amount of shade and size variation is inherent in all ceramic products.
- 3. The company bears no responsibility towards the tiles exposed to outside process like transfers, printing, firing etc.
- 4. For fixing these tiles, we recommend using an appropriate product from the range of tile fixing adhesives from the ARDEX ENDURA (INDIA) PVT. LTD. Please follow the adhesive manufacturer's recommendations and instructions for best results
- 5. For fixing these tiles using sand and cement, follow the instruction given below
- a) Use cement and sand mortar in the ratio of 1: 3. Add some water to create a consistent paste. **DO NOT USE NEAT CEMENT FOR FIXING TILES**
- b) Once the mixing has been completed, do not add more water and use the mixture within one hour.
- c) Soak the tiles in clean water at least 30 minutes before fixing.
- d) Remove the tiles from the water and allow them to drain to ensure that there is no film of water on the tile surface.
- e) Apply a 20-30 mm layer of bedding material evenly over an area of 1 square meter at a time on the surface of the area. Apply a fine slurry to the back of the tile to ensure proper and full bedding. Press gently for even adherence at the back of the tile.

DO NOT USE AN IRON HAMMER OR SOME HEAVY MATERIAL TO PRESS THE TILE.

- 6. Mark and lay out the tiles from the center of the area to be laid so that cut tiles, if any, will be on the outer edges towards walls.
- 7. The nominal / work size of the tile is as printed on the carton. It is advisable to maintain a gap of 2mm to 3 mm between two tiles to allow for possible expansion as per ISO tolerance norms.
- 8. Wait for 24 hours after fixing the tiles. After this period, fill the joints with cementitious or epoxy grouts from ARDEX ENDURA (INDIA) PVT. LTD
- 9. Fifteen minutes after the grouting process, wipe off the excess grout with a damp sponge and polish the tiles with a soft, dry cloth.
- 10. Please note that floor tiles are specially manufactured for use on floor. However, they may also be used on internal walls, but not recommended for external walls or for elevation.
- 11. For cleaning tiles, use a moist cloth or sponge with water or diluted soap solution. **DO NOT SCRUB OR SCRATCH.** You can also use tile & stone cleaners from ARDEX ENDURA (INDIA) PVT. LTD
- 12. DO NOT USE ACID / ALKALI / SOLVENT / OILS / CLEANING POWDERS ETC. FOR CLEANING TILES.
- 13. Please note: the company does not accept any liability in case of problems arising out of non-adherence to these tile fixing instructions
- 14. THE COMPANY WILL BEAR NO RESPONSIBILITY AFTER THE TILES ARE FIXED.
- 15. Kindly look for an arrow (→) on the back of the tile and follow the laying pattern as shown in Pic-1:-

Certifications

Johnson is India's largest tile manufacturer. It's commitment to quality, service and innovation is backed by certification from the world's leading accreditation bodies.

ISO 9001: 2015

For implementing a Quality Management System for the Manufacture and Supply of Ceramic Tiles.

ISO 45001: 2018

For implementing an Occupational Health & Safely Management System for the Manufacturing of Ceramic Tiles.

ISO 14001: 2015

For implementing an Environmental Management system for the Manufacturing of Ceramic Tiles.

Certificate of Merit for Energy Conservation, Bureau of Energy Efficiency, Ministry of Power A Recognition for the efficient use of energy and its conservation.

Plant has received Safety award by National Safety Council

GreenPro is a product certification given by the Confederation of Indian Industry (CII) which signifies environmentally conscious life cycle of the production; certification for eco-friendly products that helps customers make an informed choice towards sustainable products.

Griha

Griha council is a joint initiative of Ministry of New and Renewable Energy, GOI and The Energy and Resources Institute of implement Griha, India's national rating system for sustainable habitats
